# HELP! I Found a Lost Pet - Now What Do I Do?!?!?!?

There are many resources to help you track down the owner of a lost pet. Please try a few of these first before abandoning the pet to a shelter or back on the street! A loving owner may be worried sick about their loss – let's do everything we can to help them reunite with their beloved pet.

## On foot/phone:

- ❖ Go to any vet office and have the animal scanned for a microchip - including cats
- ❖ Check vet offices in the area the pet was found
- ❖ Post flyers in the area the pet was found – if you are worried about a “fake” owner calling, leave out one important detail (breed, special markings, color of the collar)

## On the Web:

- ❖ Craigslist - [www.craigslist.org](http://www.craigslist.org) – Lost+found under the Community menu
- ❖ Houston SPCA - [www.houstonspca.org](http://www.houstonspca.org)- click on the Lost/Found menu - note that it takes up to 3 days for them to post so keep checking
- ❖ CAP shelter website - [www.cap4pets.org](http://www.cap4pets.org) – click Lost/Found under programs menu
- ❖ BARC shelter – [www.houstontx.gov/barc/lostpets/index.php](http://www.houstontx.gov/barc/lostpets/index.php)
- ❖ Check [Google.com](http://Google.com) for local area lost pet websites - for example: Heights has a Heights Lost Pet Facebook page, Cypress has a Cypress Lost page, Spring Branch Facebook, etc.
